

SCHOOLOGY COMMON CARTRIDGE INSTALLATION INSTRUCTIONS

Adding Federal Reserve Education resources is as easy as 1, 2, 3.

Download the common cartridge file to your computer from the resource page.

2.

Login to Schoology, import existing content by first going to "Resources," clicking on the downward facing triangle and "import." Select "Common Cartridge (IMSCC or Zip)" and then either import to a new or existing collection in your resources. Click the blue "Next" button to continue. Attach the downloaded file and continue.

When importing the collection, make sure you have a checkmark next to "Select All" before converting the file.

3.

Next, go to the course you'd like to add the resource and click "Add Materials" then "Import from Resources." Find the folder where you imported the common cartridge file and, on the right, choose the specific resources and quizzes to import to your course.
